■ Grandi progetti, a fianco dei migliori.

La ricerca di nuove modalità stilistiche e funzionali, l'approdo ad un'ipotesi dinamica dell'organizzazione dell'ufficio, la voglia di dare forma a nuovi modelli di spazio in cui senso e funzione si compenetrano, in cui desideri e necessità pratiche si integrano. Sono questi i principi che muovono Nordwall, azienda che si distingue da oltre trent'anni nel design, nella progettazione e realizzazione di pareti mobili per ufficio e, recentemente, produttrice anche di arredi. Un consulente specializzato, capace di fornire un importante contributo all'interpretazione dello stile di ciascun edificio e suggerire soluzioni sintoniche. Proposte esclusive, anche su misura, dal design contemporaneo, realizzate con le più avanzate tecnologie per soddisfare al meglio tutte le più attuali esigenze organizzative dello spazio. Un know-how che ha reso possibile la partecipazione attiva a prestigiosi progetti edilizi, realizzati in partnership con i professionisti che hanno segnato la storia dell'architettura.

■ Great projects, side-by-side with the best.

The search for new stylistic and functional methods, reaching a dynamic way of organising your office, the urge to give shape to new space models where sense and function blend, where desires and practical needs integrate. These are the principles that drive Nordwall. For over thirty years, our company has made its mark in design, planning and building mobile walls for offices and, more recently, as a producer of furniture and furnishings. We are specialised consultants, who provide an important contribution to the interpretation of the style of every building, and suggest matching solutions. Exclusive proposals, tailor-made if necessary, achieved with the latest technologies to best satisfy all the most updated space organisation needs. This know-how has enabled us to actively participate in prestige building projects, implemented in partnership with professionals who have made their mark on architectural history.

■ De grands projets, aux côtés des meilleurs.

La recherche de nouvelles modalités stylistiques et fonctionnelles, l'approche d'une idée dynamique de l'organisation du bureau, l'envie de créer des formes pour de nouveaux modèles d'espace où l'inspiration et la fonctionnalité s'entremêlent et où les désirs s'intègrent aux nécessités pratiques. Il s'agit là des principes qui stimulent Nordwall, société qui se distingue depuis plus de trente ans dans le design, l'étude et la réalisation de parois mobiles pour bureau et qui, récemment, est également devenue productrice d'ameublement. Nordwall est un conseiller spécialisé, en mesure de fournir une contribution importante au niveau de l'interprétation du style de chaque édifice et de proposer des solutions harmonieuses. Des propositions exclusives, même sur mesure, au design contemporain, réalisées avec des technologies de pointe afin de satisfaire au mieux toutes les exigences actuelles d'organisation de l'espace. Un savoir-faire qui a permis une participation active à des projets de construction prestigieux, réalisés en partenariat avec les professionnels qui ont marqué l'histoire de l'architecture.

STORAGE PARTITIONS CATALOGUE

TALEA is a system of storage partitions, full height, that combines the rooms dividing function with the need of storage space for any office work requirement, filing, storage , archiving. The system fully complies and integrates with any of the Nordwall partition systems.

TALEA system is made of cupboard modules, single or double doors, to respond at any need of storage and space planning with the use of internal accessories such as filing trays, drawers, adjustable shelving system and security storage.

- **TALEA** - Sistema di parete ad armadio in melaminico con ripiani interni in metallo predisposti per alloggiare anche le cartelle sospese. Le ante sono dotate di cerniere a tripla regolazione con apertura a 110° e a 180° su richiesta. La serie DAMA prevede tutti i sistemi di connessione con le altre tipologie di parete Nordwall.
- **TALEA** - Storage wall system, manufactured with a melamine finish and leaves with steel shelves including file drawers. The panels can feature triple adjustment 110° and 180° opening hinges, on request. Easy connected to any Nordwall partition configuration.
- **TALEA** - Système de cloison avec armoires incorporées, corps de meuble réalisé en panneaux d'aggloméré mélaminé avec tablettes métalliques permettant l'utilisation de dossiers suspendus. Les portes, à ouverture à 110° et à 180°, sont montées sur demande sur charnières à triple réglage. La série DAMA prévoit tous les systèmes de connexion avec la gamme de cloisons Nordwall.

PRODUCT DESCRIPTION

TALEA is a system of storage partitions, full height, that combines the rooms dividing function with the need of storage space for any office work requirement, filing, storage, archiving. The system fully complies and integrates with any of the Nordwall partition systems.

TALEA system is made of cupboard modules, single or double doors, to respond at any need of storage and space planning with the use of internal accessories such as filing trays, drawers, adjustable shelving system and security storage.

PRODUCT FEATURES AND CONSTRUCTION

The storage cupboards, 463 mm deep, are made with full height side panels fitted with floor adjustable glides to level the wall. The sides are set to take doors and back panels. Both components may be reversibly mounted, for the best usage from both offices. Doors may be solid or glass for showcase display. Doors are mounted to the sides with 105° hinges, and fitted with metal handles in silver color, lockable with master keys system.

TALEA units are fitted with structural top and bottom shelves made with 22 mm. laminated particle board and finished with 5 mm. dust free soft edges. Doors, back panels and fillers are made with 18 mm. laminated particle board. Back panels are fitted to the side panels with snap-on hooks and are aligned with the adjacent doors. Sides panels are vertically drilled every 32 mm. to take door hinges, back panels hooks and adjustable shelves support pins.

Adjustable shelves are made with precoated steel sheet and are fitted to the side panels with slotted pins. The shelves are folded underneath to take suspended filing folders.

The access doors, with frames made of pre-treated extruded aluminium, are complete with additional sides so they can be perfectly integrated into the rest of the structure; the profiles are fully assembled and fitted with solid or glazed door leaves, complete with hinges, handles and locks.

TECHNICAL SPECIFICATIONS

Wall thickness 436 mm.

Maximum height 3500 mm.

Width of modules 500 mm. / 1000 mm.

Average weight 40 Kos. Per sq. meter

Floor skirting 40 mm.
